E-NEWSLETTER

May 2020

Spring has sprung at All Star, and with new growth comes unique challenges.

COVID-19 Update

Due to COVID-19, ASEF will continue to remain closed to riders and volunteers until further notice.

We understand that All Star is a place of healing, growth, and learning for all involved. Our closure has affected all of us in different ways. We would like to recognize that struggle, and meet it with the hope of reopening in the coming months.

All Star strives to provide services to a wide range of participants with varying physical, mental, and cognitive challenges. We must consider the CDC guidelines and other professional recommendations to keep those at highest risk safe.

We are tirelessly working towards the goal of safely resuming operations and will keep all apprised of the situation through email, Facebook/Instagram, and personal phone calls. Please understand that the safety and health of all individuals in our program has been and will continue to be our primary concern.

We want to know your questions and concerns. Contact us via email at veronica@allstarequestrian.org, on Facebook, our website www.allstarfoundation.org or call the office 817-477-1437 and leave us a message.
